The GOLDEN ACHIEVERS will meet Thursday, January 2nd at China's Restaurant at 12:00 noon for food and fellowship. The restaurant will be a nice warm place to meet without heating Memory Hall. All seniors are invited to attend. At our December 5th meeting we acknowledged the anniversaries of Paul & Luana and Sam & Doris by singing to them. Stories and jokes were shared by Kathy and Dorothy June. The winners of our gift drawing were: Guy, Dorothy, Kathy, Sam, Curtis, Paul, and Doris. We had a wonderful potluck luncheon and great fellowship.

WOMEN'S CHRISTIAN FELLOWSHIP: Our January meeting will be on the 12th, meeting in Paul's classroom at 8:30 A.M. Please attend to help plan activities and projects that will be happening in 2014. Please remember to collect Box Tops for Education and place them in the box in the vestibule. We will have a report on our Christmas Projects at the meeting.

PRAY WITHOUT CEASING! Mary Ann Hensley is recuperating from the back surgery she had on December 17th. Please pray for her prompt recovery. Walter South will be traveling to San Francisco on January 3 to see a heart specialist. Pray for Walter and the doctor! Sam Hurtado needs a new kidney. Pray that God will provide everything Sam and Doris are in need of. Brenda Anderson is waiting for a surgery date for her painful neck difficulty. Pray for Brenda's needs also and for the health needs of so many of our Christian people. We ask prayers for the spiritual needs of all that we have contact with.

MISSIONARY REPORT: API: Marilyn Snyder, accompanied by Bob Snyder and Susan Henderson of Community Christian Church in Tujunga, represented Asia Pacific International at the 2013 International Conference on Missions in Kansas City last November. God blessed the team with a booth on a busy aisle, so they were able to share about API to a number of people. David Melton was there and sent greetings to Lindsay Christian. The theme was Glorifying God and there was great worship and teaching. A booth has been reserved for next year in Columbus, Ohio. David Butts is the president and the theme will be Vertical. The center of the convention will be a 24/7 prayer room. After the convention, Marilyn and Bob went to the annual board meeting in St. Louis. One of the board members literally drove through the tornadoes that hit Illinois that weekend. In Indonesia last month many church planters and staff were involved in Christmas activities that were attended by Muslim friends and neighbors. The staff responded to the flooding in Kalimantan and the Philippine typhoon.

Pastor Paul's Thanksgiving sermon challenged us to write at least four blessings each day for the whole week. After a rather difficult week at our house, I took that challenge and came up with the list that follows: Thank You Lord: For Jesus my savior; For a warm & comfortable house; For my spouse; For our family; For friends; For our church family; For a sufficient income; For having something meaningful to do; For being able to walk without pain; For our doctors; For my car; For having hot running tap water; For our free country; For my brain – even with flaws; For good health; For God's word; For good food & water. If you didn't already make your list, this New Year is a good time to consider listing your blessings. Everyone will have a different list depending on your life and walk with Christ.

Celebrate this New Year with a thoughtful and resolute awareness of our Savior as no greater and faithful friend can a person have. Happy 2014!
